

Live Jazz on Sundays

On Sundays you can enjoy some gentle swinging Jazz to accompany your meal, from Brunch through to Afternoon Tea.

Make it a family treat, meet friends for a coffee and a Danish or swing through lunch.

In addition to the menu overleaf there are more choices on the blackboard and always a traditional Sunday Roast.. it's a great way to Jazz up Sunday.

Spend time with friends or simply treating your-self to a relaxing Afternoon Tea at Nicholl's.

Afternoon Delights

Our special Tea selection includes Indian, Earl Grey and a Herbal infusion, or you may prefer one of our delicious coffees to accompany one of our mouthwatering pastries.

At Nicholl's afternoon tea really is a delightful experience.
