### How to play

1 Put the mice in the holes in the cheese and press them downward.

Decide which colour you want to catch.

2 Switch on the game and wait for the mice to jump out of the holes at different times.

3 Each player holds a cat and pushes the lid to open the lid on the bin to catch the mice.

4 When you have caught a mouse, put it to one side and wait for the next one to jump out of the cheese.

5 When all the mice have jumped out of the holes the game will automatically stop.
