- Stand has built in Magnifier viewer for taking a "closer look"
- Lines of Longitude and Latitude

Earth Search

MINI GLOBE

Have fun and learn as you travel across the world with the "Earth Search" Mini Globe. Discover countries, continents and oceans. Use the magnifier to find details of cities, rivers and mountain ranges.

WARNING

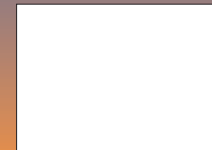

Never look directly at the sun with the Magnifier viewer/Stand as this can cause damage to the eyes.

Not suitable for children under 5 years of age. Please retain for future reference. Colour of contents may change.
